LETTER FROM THE SELECTMEN

CITIZENS:

During 1995 the Selectboard finalized the paperwork with the State of New Hampshire to build a new bridge on Dewey Hill Road over Crystal Falls. This will take place during the summer and fall of 1996. We have had a new bridge added to the State "Red List". The Covered Bridge has been added to the Paris Road and Leighton Meadow bridge as in dire need of repairs. We will need to put money into our Capital Reserve-Bridge Account for these repairs. The new bridge over Crystal Falls will be built as a Municipal Managed Bridge Project, thus saving the Town a great deal of money.

The property tax valuation lawsuit against the Town was settled out of court and our legal expenses should be back to normal for 1996.

The Northside Road project was completed and paved. A portion of the Percy Road was shimmed with material left over from that project. We plan on starting a new road project this summer and to keep up with our new road sealing program.

The Veterans Monument was erected in the Village Cemetery and dedicated on November 11, 1995, Veterans Day. This was accomplished through funds provided equally with Stark Improvement Fund.

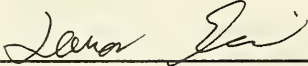

A septic system and well were installed at the Town Garage. We hope to complete this project during 1996. A new waste oil furnace was installed in the garage. This was partially funded by a Grant from the State for improvements made at the Transfer Station. Our thanks to Victor Spaulding for submitting the application.

We have initiated a Safety Program in accordance with workmans compensation guidelines. This will ensure that our rates stay down and that our employees will work safely and in a safer environment.

LETTER FROM THE SELECTMEN

We would like to thank all our Town employees and volunteers who have worked hard to make our Town a better place to live in.

Sincerely,

JAMES EICH, CHAIRMAN

EVERETT R. FRIZZELL

C. PHONES	1000	

D.	HEATING	1000
E.	MUTUAL AID	500

SECONDED BY JUDY WENTWORTH.

FRANCIS FEELS THIS INCREASE IN THE SALARY OF THE CONSTABLE GIVES THE TOWN A BETTER CHANCE OF FINDING SOMEONE WHO WILL DO THE JOB WHEN HE RETIRES NEXT YEAR. HE WANTED TO RETIRE THIS YEAR, BUT HE WILL NOT LEAVE THE TOWN WITHOUT A POLICEMAN. HE REQUESTED THAT THE TOWN SERIOUSLY TRY TO FIND SOMEONE TO FILL THIS POSITION, AS THIS WILL BE HIS LAST YEAR.

EVERETT FEELS A \$3000 INCREASE IS TOO MUCH BECAUSE WE ALL HAVE TO PAY FOR IT THROUGH OUR TAXES. A LOT OF PEOPLE IN TOWN CANNOT AFFORD TO PAY THEIR TAXES NOW, AND HE FEELS THE INCREASE WOULD MAKE IT EVEN HARDER FOR THEM TO DO SO.

RON CARON FEELS THE \$3000 INCREASE IS APPROPRIATE. HE FEELS WE SHOULD PUT MONEY INTO OUR OWN TOWN EMPLOYEES SO WE CAN KEEP THEM AS LONG AS POSSIBLE.

TRANSMITTAL AND COMMENTARY LETTER

Board of Selectmen
Town of Stark
Groveton, New Hampshire 03582

Members of the Board:

In planning and performing our audit of the financial statements of the Town of Stark, New Hampshire for the year ended December 31, 1994 we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated June 14, 1995 on the financial statements of the Town of Stark, New Hampshire.

Our following remarks are being made in the hope that they will improve existing procedures and are in no way a criticism of Town personnel.

1. C.D.B.G. Loan Fund Repayment

Payments against loans owed to the C.D.B.G. Loan Fund are being credited fully against principal with no interest charged.

Recommendation

Interest should be computed on all loans according to original loan agreement.

2. Disbursement Procedures

Currently, the Selectmen review the invoice and approve the disbursement. However, they do not indicate on the invoice their approval.

Board of Selectmen
Town of Stark

Recommendation

The Town should prepare a manifest utilizing the check register and attach the supporting documents to the manifest so that the Selectmen can review and indicate their approval of the payment by signing the document.

3. Internal Control Over General Fixed Assets

The Town needs to maintain effective control over and accountability for all fixed assets, and have a physical inventory of fixed assets.

Recommendation

- 1) All departments should develop a complete listing of fixed assets including information regarding cost, date of acquisition, condition, and other pertinent information.
- 2) Town officials should be designated to perform periodic inventory checks to ascertain that the items are properly accounted for and adequately safeguarded.

4. Tax Collector's Records

- (a) Some differences were noted between the taxes committed per the Tax Collector's computer and the warrant signed by the Selectmen and between the abatements per the computer and the abatements approved by the Selectmen.

Recommendation

The Tax Collector should keep a file of all warrants and abatements issued by the Selectmen and perform a reconciliation between them and her computer reports on a regular basis.

- (b) The Tax Collector keeps a manual cash receipts journal in addition to her computerized records but does not reconcile the two.

Recommendation

The Tax Collector should reconcile her cash receipts per computer with her manual records on a regular basis.

- (c) Currently, a discount is applied to all real estate tax bills paid within a specified period of time. While this procedure is allowed under state law, it greatly increases the complexity of the tax collector's job while significantly reducing internal controls. It also complicates the budgeting process as discounts taken are difficult to forecast.

Any change in the discount policy would have to be voted on by the residents of the Town.

Board of Selectmen
Town of Stark

We extend our thanks to the officials and employees of the
Town for their assistance during the course of our audit.

Very truly yours,

Kyeong W Kim. CPA

Kyeong Whan Kim, C.P.A.

PLANNING BOARD REPORT

TO STARK RESIDENTS:

The year 1995 ended on a busy note for your Planning Board.

Most of the year was taken up with Mr. John Kauffmann's subdivision of the old Frizzell Farm and land located in Percy.

Much time was taken in locating and verifying property and water lines, many of which had been lost over the years. By December, with all abutters satisfied with the subdivision, the Planning Board approved the plan. We also dealt with a subdivision at South Pond. This subdivision had been done in 1983 and 1989 without town approval. Again with all the abutters approving, the Board legalized this plan in December.

John Tilton and Barry Wentworth were appointed to the Board last spring to fill two vacant seats. These appointments expire in March.

The Planning Board meets the fourth Thursday of every month at 7:30 pm at the Town Hall.

We are always looking for interested citizens to serve on the Board, especially alternates. Please let us know if you are interested.

To the Board
Stark School District
Stark, New Hampshire

We have audited the accompanying general-purpose financial statements of the Stark School District as of and for the year ended June 30, 1995, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Stark School District's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not known.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Stark School District as of June 30, 1995, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general-purpose financial statements of the Stark School District. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

**STARK SCHOOL DISTRICT
MESSAGE FROM THE SUPERINTENDENT OF SCHOOLS**

Upon returning to SAU #58, one of the first changes I noticed was the improvement in the Stark Village School. The addition to the school created a facility for the town to be proud of and which provides a much better learning environment for the students.

I have also been impressed by the work of the "Volunteers for Kids". Many school districts have volunteer programs, but the program in Stark gives many more hours of time than would be expected for a town of this size. It is the willingness of these volunteers to cheerfully donate so much time that I find extraordinary.

One of the major projects for this year is the development of the District Education Improvement Plan. The Department of Education requires each school district to submit a completed plan prior to submitting a consolidated application, which will be the basis for awarding federal funds to school districts for the 1996-97 school year. The District Education Improvement Plan is a requirement, but it is also an opportunity. We must have this plan completed in order to apply for federal funds, but the plan is also a vehicle for us to use to analyze where we want the district to go, and how we should get there. The information gathered from this process will help us to establish priorities based on local needs, and to allocate our resources based upon those priorities. The staff and community volunteers are currently gathering information from the community and students, and are reviewing current practices in order to develop this plan.

Stark has a new principal, Mr. Charles Witters, who has fit in well with the rest of the staff. I have enjoyed visiting the Stark Village School this year. I find that a caring and friendly atmosphere has been created by the staff, students, and community.

Respectfully submitted,

Robert C. Mills
Superintendent of Schools

**STARK VILLAGE SCHOOL
PRINCIPAL'S REPORT
1995-96**

The 1995-96 school year is moving very rapidly. Our major goal, again this year, is to improve the quality of instruction while making the educational experience a wholesome and pleasant one for your children.

The returning faculty/staff are Kathleen Chandler, kindergarten/special education; Annetta McGinnis, grades one/two; Nancy Spaulding, grades three/four; Elizabeth Shulman, music; Jeannine Astle, Chapter I tutor; Cinda Wentworth, classroom aide; Michael Axelrod, guidance counselor; Donna Church, speech; Ellen Pepau, cook; Victor Spaulding, custodian; Bob Fysh, bus driver; and Mary Beth Gibson, volunteer library aide. Cheryl Cloutier is our volunteer art teacher, starting in February.

The only new staff member at the Stark Village School is myself. I am the principal and grades five/six teacher. I have been in the field of education for 24 years as a teacher, teaching principal, and supervising principal. I earned a bachelor's degree from King's College, a master's degree in elementary education from Hofstra University, and a certificate of advanced studies (C.A.S.) in administration and planning from the University of Vermont.

It is a real pleasure and privilege working with the teachers, staff, students, parents, and the wonderful community members of Stark. My goal is to have the Stark Village School continue to be a safe, caring place, where students will learn the academics as well as the skills necessary to live in our society. The entire staff is great, and each individual member is certainly striving to see this goal fulfilled.

The "Volunteers for Kids" program is in its third year and is the best one I have ever seen or had the opportunity to work with. This group, once again, took on the traditional Thanksgiving dinner under the leadership of Sue Fogg, chairperson. She was aided by students, faculty, staff, community members, and businesses. The individual volunteers help out in the classrooms and other needed areas. THANK YOU ALL SO MUCH!

The students and faculty gathered food for Project Homebound for Thanksgiving food boxes which were distributed to all the residents at Millbrook Inn to share. We also participated in the Scholastic Book Fair. With our "share/profit", we will be able to increase our library collection. In January, the students will be participating in the St. Jude's Math-a-thon.

In the fall, Debbie Boivin headed up a major fundraiser for the school which paid for seven weeks of ice skating at the Notre Dame Arena in Berlin. Ice skating enhances the physical education program. On the next to last day, there were enough funds for a meal from Kentucky Fried Chicken. Also in the fall, the fifth and sixth grade classes went to the Craft Fair at the Fairbanks Museum.

We are looking forward to an excellent second semester at the Stark Village School. Please come and visit the school. Many good things are happening.

Respectfully submitted,

Charles R. Witters, Jr.
Principal
